

Ridwan Bukola Isiaq

Frontend Developer || ReactJS || NextJS

I am a talented and enthusiastic frontend developer who's committed to learning, creating and delivering visually appealing and high quality websites and web apps that meet design and product requirements, thereby satisfying the needs of clients. With experience using a range of tech tools, including ReactJs, NextJs, and TailwindCss, I have the skills and expertise to create engaging web applications that are both user-friendly and optimized for search engines.
